Believe in Yourself

I WILL DO IT. **YES, I DID IT.**

I CAN DO IT.

HOW DO I DO IT ?

I WANT TO DO IT.

I'LL TRY TO DO IT.

The Director's Foreword

Our last two editions of the 'Fledglings' in the e-format were highly appreciated by the audience, but more importantly it was a positive learning in producing the same. We now revert to the printed format, a hard copy being the preferred option for the students and the parents. Our children were extremely active in the COVID times, in the online and offline activities. This edition showcases the superlative effort put in by our students and teachers. I am sure each one of you will flip the pages very often to appreciate the talent of the young ones.

All the very best!

Incharge Junior School's Desk

Dear Parents,

We are happy to bring to you the Junior School magazine 'Fledglings' for the session 2021-22. The book is being released in print format after a gap of two years. This has been a wonderful year considering less disruptions to school learning and a marked improvement in the COVID situation.

Though, the year has been marked by constraints and limitations, yet it is satisfying to state that we have been able to carry out all the school activities with renewed enthusiasm. Apart from academics, extra and co-curricular activities kept our students fruitfully engaged and the resumption of evening games received an overwhelming response. The write-ups, reports, articles and photographs in the book, all bear testimony to this fact.

I am thankful to the Editorial Board for painstakingly formatting the magazine to accommodate the huge volume of our students contribution.

Happy browsing!

The Year 2021-2022 was an era of the acceptance of the new normal and recalibration of expectations from past experiences. The corona virus tsunami has swept away in its wake, all that we know to be normal. Against back drop of such a difficult year, we have witnessed the resilience and sense of community, grow amongst the fraternity in spite of being connected virtually.

Students write to strike the hearts and minds of others with what's brimming inside them. This magazine is the pulse of the school. Besides the creative splendors and cognitive outputs, it gives an opportunity to students to strive to capture in print and visual form the range of activities done throughout the year. It also provides an outlet to enjoy learning in an atmosphere of affection and expose their literary and artistic talents through their articles, short stories, poems, puzzles etc.

Best Wishes !

The School's Main Building

In one of our English periods, Tina ma'am took us to the main building of the school. There were many plants outside the building. When we enter the big door of the main school building, there is a flag of India and the School flag. On the left, there are some stairs with 'Director' written and on the right there are some stairs where 'Director' is written also.

They have a railing made of wood and there is a SU 30 model. There are many trophies and medals and there is a big light in the centre of the roof. There are many plants and many pillars. There is a door at the back which we take to go to the Senior School and there is something written on the wall. There are many windows, many pictures, an office and a big room. I like visiting the main school building. It is very nice and beautiful.

THE BIG AEROPLANE HERSEY KISSES CAKE

My dream birthday cake is a three tier cake. Each tier has three layers - strawberry, dark chocolate and milk chocolate. When I will cut the cake, Hershey kisses will come out. The second tier has an aeroplane cake which is blue in colour. The aeroplane is fully lit with lights. On top of the aeroplane is George Pig, who is wearing a green shirt. George Pig is smiling and saying "Happy Birthday Arjan". There will be different colour fire candles on the cake. It will be so much fun if my mother gets a cake like this made on my birthday. I will be so happy to show it to my friends and cut the tasty cake with everyone.

Some facts about animals and birds.

The tiger is the national animal of India. The tiger has stripes not only on its fur but also has stripes on its skin. So, if you remove his fur we can still see the stripes. Every tiger has a different set of stripes like our finger prints.

Python, bua and anaconda are non venomous snakes. They bite and squeeze people.

Cassowary is the third largest bird in the world and it lays green eggs.

Snakes and ants do not have ears, they listen by vibrations. The ants can also hear the sound of even a human hair falling down.

My Hobbies

Hobbies are activities which we love to do while we are free. They keep us occupied and help us spend quality time. My hobbies are drawing, painting, reading books, playing with dolls and swimming. But out of all these, I like drawing and painting the most. I started drawing when I was in Prep school. Most of the time, I use my imagination to draw but sometimes I take ideas from the internet. I use oil pastels and soft pastels for my drawings. I like drawing landscapes. My favourite drawing is that of a nest perched on top of a tree. I love drawing and I wish I could move on to painting on canvas soon!

We play many other games also, some new ones and some old. I play 'Pikachu' with Manya and other friends. We also get snacks under the tree. They are very tasty. I love it when muffins come as snacks. Sometimes, we go to the big ground to play in the break and sometimes we play on the steps in the amphitheatre. The break helps me and my friends to have lots of fun. Some kids are playing and some can be seen sitting and talking. When the bell rings, we go back to our classes. The Story Behind My Favourite Book

Veer Sidhu
II N

I have read a lot of Enid Blyton books such as 'The Secret Seven', 'The Famous Five' and many more. But my most favourite book is "Don't Be Silly, Mr Twiddle" by Enid Blyton. It is about a silly and forgetful old man called Mr. Twiddle, who lives with his wife, Mrs. Twiddle. He always gets a scolding from his wife for being so forgetful.

In one story, instead of using toothpaste, he uses glue to brush his teeth! His lips get stuck together and he makes the funniest sounds when he tries to speak. I laughed so much, when I read this. In another story, he gets a sheep and a goat inside the house, instead of a sheet and a coat!

There is another very special reason why I like this book so much. This book actually belongs to my father! He got it as a prize from his school, YPS Patiala, for coming first in class, when he was a little boy, studying in Class II-N. Now, the most interesting part. Class II-N is the same class and section as I am in right now! Isn't that amazing! That is why this book will always be so special to me.

My Favourite Subject: Mathematics

My favourite subject is Maths. Of all the subjects, I love doing maths homework the most. I love to solve mathematical problems like addition, subtraction and multiplication. In class, I have learned tables up to 12. Once I have learned tables, I never forget them. I was also awarded a Gold Medal and a certificate in Maths Olympiad Exam which made me really happy. Now, I am preparing for the next Olympiad exam. Whenever, I face any problem in Maths, my mother helps me. She always tries to connect Maths to day-to-day activities. When I go to market with my parents, I try to calculate the amount after billing in the shops. It is fun for me to solve problems in Maths. I really love Maths and I want to teach Maths in future.

A Visit to the Stadium

Shree - II N

Today, my classmates and I went to see our school stadium with Tina ma'am. I was amazed to see the Y.P.S. stadium. Around the stadium, there were trees and a railing. I could see the school auditorium from there. I also saw the football nets in the grassy ground. There was a running track and a cycling track. We saw some people working in the stadium. I was sitting on the steps of the stadium. Our teacher clicked our photograph on the steps. I could see the Senior school library and also the beautiful Clock Tower with so many steps leading to it. We enjoyed visiting the school stadium. We came back and wrote what we saw.

Anahad Kaur of V N won the Best Object Co-ordination Prize in an Inter School Event

Greetings to all! Myself Anahad Kaur from Yadavindra Public School, Patiala and I am here to narrate a story about how a pair of Samurai Swords helped me in scaring away a thief.

One night, my parents had gone out to attend a wedding. My brother and I were reading our story books.

Suddenly, we heard a thud upstairs and to our horror, there was a sound of footsteps moving slowly in the room upstairs. Though scared and terrified, we gathered all our courage and slipped out of the bed. Stealthily, we peeped out of our room's door and could see someone moving upstairs. Eventually, we reasoned out a plan and became super courageous. My brother slipped inside the drawing room, got hold of the Samurai Swords and reverted to our room swiftly. Once inside, we double locked the door, switched on the lights and started practicing the Samurai war skill moves which we had learnt from YouTube. Simultaneously, someone started banging at our door. Palpitating with fear, we hysterically started clanking our swords with all the moves and sounds we had learnt so far. After some time, the banging stopped and to our respite we could finally hear the sound of our parent's car entering the house. Afterwards, we narrated the entire incident to them and in our heart of hearts, we thanked our Samurai Swords for giving us an idea to frighten away the thief.

My Dream Destination

There are 195 countries in the world and I want to visit all of them, just like my grandfather who has been to 74 countries so far. Mostly, I want to visit the USA and the UK. I grew up listening to a lot of stories about various exquisite places my parents explored in the USA. Out of all those places, The Grand Canyon, The Caverns of Luray and Disneyland are on my must visit list. I also want to see Pearl Harbour in Hawaii where Japan attacked US warships during the First World War and to see the sunken warships. My next dream destination is the United Kingdom. I want to visit the Tower of London, the birthplace of Shakespeare, Globe Theatre, London Eye, Stonehenge and the British Museum. I am very excited to see all these beautiful places as my family has promised to take me there after COVID is over.

Last year, I went to the hills for a visit. Firstly, I visited Dharamshala, famous for the cricket stadium, Himachal Pradesh Cricket Association [HPCA] where parts of movie '83' were shot. The stadium had a spectacular view, surrounded by mountains. After that I went to McLeod Gunj, which is famous for the Namgyal Monastery, run by the Dalia Lama. Our next location was Palampur, where I got a chance to visit S. Sobha Singh Art Gallery. There, I saw some original paintings also. Did you know that the Shri Guru Nanak Dev ji we see today is all Sobha Singh's imagination! After that I went to the Wah Tea Estate. There, I saw the process of making tea! I also did some tea tasting there. Throughout the journey, I saw some different adaptations in the plants in the hills.

Then, I went to the Dhauladhar Nature Park (Zoo), I saw mountain goats, leopards, lions and turtles there. The Zoo guide explained all about the animals. It was so much fun. I really loved the hills!

I loved the beautiful scenery and greenery with orange and pink flowers. It felt like a dream. We got down at the third station as we had to return to Ooty. I again wanted to sit on the same train, as my experience was just amazing and joyful.

Last year in my summer holidays, I got a chance to enjoy a ride on the toy train from Ooty to Coonoor. First, I thought that it would be a simple train that will take us from one place to another but when it started, I started feeling excited. Whenever it used to pass under the tunnel, people would start screaming. The train passed through lush green

Stranded on an ISLAND

It all started one Monday morning, when my friends and I were out camping on an island. We rented a boat and began our journey. We reached the island safe and sound but it was dark so we had our dinner and went to bed. At night, our boat drifted away. We got up in the morning and realized that our boat was missing. We freaked out. We had to wait for days. It was hard living there because we did not have enough food and we were really bored. We could have used our phones but we did not have any signal. We tried to send SOS signals but no one could see us. We made a shelter with sticks and it would fall down everyday. Thankfully, we had water purifying pills to purify our water. We didn't have enough food so we tried to catch fish but we only had a stick and a rope. On Saturday, a rescue boat came for us and we were saved. We reached home and we were very happy to see our parents.

एक दिन मैं अपनी माँ के साथ ओमेक्स मॉल गई। मेरी माँ और मैं सबसे पहले बिंग बाज़ार गई। वहाँ पर मेरी नज़र पड़ी जूतों पर। वे जूते इतने चमकीले थे कि मेरा मन कर रहा था कि मैं इन्हें खरीद लूँ और फिर मैंने देखा कि मैं माँ से बिछुड़ गई। मैं घबरा गई तभी एक औरत मेरी तरफ आई मुझे रोते हुए देख मुझसे पूछा तुम्हारी माँ कहाँ है। मैंने बताया कि मैं अपनी माँ से बिछुड़ गई हूँ। अब मैं क्या करूँ? वह औरत मुझे लेकर माँ को ढूँढ़ने लगी और फिर पाँच-दस मिनट बाद मेरी माँ मिल गई। मैंने माँ से वादा किया कि आगे से कभी भी माँ का हाथ नहीं छोड़ूँगी।

ਇਸ ਰੁੱਤ ਵਿੱਚ ਖੁਸ਼ੀ ਅਤੇ ਅਨੰਦ ਦੇ ਤਿਉਹਾਰ ਹੁੰਦੇ ਹਨ। ਬਸੰਤ ਪੰਚਮੀ ਇਸ ਦੀ ਸ਼ੁਰੂਆਤ ਕਰਦੀ ਹੈ। ਇਸ ਦਿਨ ਲੋਕ ਆਪਣੀ ਖੁਸ਼ੀ ਦਾ ਪ੍ਰਤੀਕ ਪੀਲੇ ਕੱਪੜੇ ਪਾਉਂਦੇ ਹਨ। ਦਰੱਖਤਾਂ, ਪੌਦਿਆਂ ਦੇ ਨਵੇਂ ਪੱਤੇ ਅਤੇ ਛੁੱਲਦਾਰ ਬੁਟਿਆਂ ਦੇ ਛੁੱਲ ਇਕ ਵਾਰ ਤਾਂ ਮਨ ਖਿੱਚ ਲੈਂਦੇ ਹਨ। ਬਸੰਤੀ ਰੰਗ ਦੇ ਛੁੱਲਾਂ ਨਾਲ ਭਰਿਆ ਹੋਇਆ ਆਲਾ-ਦੁਆਲਾ ਇਸ ਤਰ੍ਹਾਂ ਲੱਗਦਾ ਹੈ, ਜਿਵੇਂ ਕੁਦਰਤ ਪੀਲੇ ਗਹਿਣੇ ਪਾ ਕੇ ਬਸੰਤ ਦਾ ਤਿਉਹਾਰ ਮਨਾ ਰਹੀ ਹੋਵੇ।

ਬਸੰਤ ਦਾ ਤਿਉਹਾਰ ਸਾਨੰ ਇਤਿਹਾਸਕ ਘਟਨਾ ਦੀ ਯਾਦ ਦਿਵਾਉਂਦਾ ਹੈ। ਇਸ ਦਿਨ ਵੀਰ ਬਾਲ ਹਕੀਕਤ ਰਾਏ ਨੇ ਆਪਣੇ ਦੇਸ਼ ਲਈ ਬਲੀਦਾਨ ਦਿੱਤਾ ਸੀ। ਉਸ ਵੀਰ ਬਾਲਕ ਦੀ ਯਾਦ ਵਿਚ ਉਸ ਦੀ ਸਮਾਪਨੀ ਉੱਤੇ ਹਰੇਕ ਸਾਲ ਸ਼ਾਮ ਨੂੰ ਮੇਲਾ ਲੱਗਦਾ ਹੈ।

Winter Charm

All the seasons are fun but my favourite season is WINTERS. It is the magical time of the year as the weather gets cooler. I love it as my birthday falls in the month of November and I also get to wear stockings, high boots and long coats, my favourite style of dressing. In this season I get to eat the most delicious fruit - STRAWBERRIES. Every time we go on a vacation, I love the drive, the foggy weather, the bonfire. We wait for the sun to rise. My favourite drink for winters is HOT CHOCOLATE. Also the days are shorter and the nights are longer in winters and I get to sleep more! Other than that, no lizards are to be found as they go in hibernation. This makes me very happy. The festivals that comes in winters are Diwali, Christmas, New year and Lohri. I love dressing up and decorating the house on Diwali and decorating the Christmas tree. Everything about winters is beautiful. I LOVE WINTERS.

Childhood Memories

As we make our way to the Middle School it makes us realise how terribly we will miss our time at the Junior School. Apart from all the fond memories and beautiful experiences, there was so much more that we learnt, that is going to stay with us forever.

Parents, being our first teachers always want us to be kind, helpful and honest. Also, we cannot thank our teachers enough for shaping our personalities in the right direction. On the very first day of PREP 1 in the school, I was very excited but apprehensive too. But the moment I entered my class, the welcoming smile of my teacher made me comfortable and that day I understood the value of greeting someone with a smile.

Likewise, 'Sorry', 'Please' and 'Thank You' are the magic words that make a person feel important, pacify tempers, strengthen bonds and at times mend relationships. This rule applies to all the relations we are in, siblings, parents, teachers and peers. Often, we learn from our teachers by example, as they thank us even for the small jobs they tell us to do in school. One such incident occurred on the first day of my school in class II. I was rushing towards my new class as I was already late. Suddenly someone tapped on my shoulder. A girl of class 1, who was a new admission was standing right behind and she seemed completely lost. She requested me to guide her to the class. Even though, I was getting late, I assisted her to the class. As soon as I dropped her off, she was all smiles and thanked me with all her heart. This gesture on my part gave me a deep sense of satisfaction.

Another magic word which most of us find hard to say is 'Sorry'. For example, if you bump into someone unintentionally, you may either mumble something like it was not my fault and move on or you may stop and say sorry and end it on a pleasant note.

An important lesson which I learnt from my teacher is the act of kindness. One such incident happened on a regular school day. It was raining heavily and we all were making our way to our classes, carrying umbrellas. Suddenly, I noticed that the wind blew away the umbrella of the little child of PREP II. He got very scared, wondering what to do. One of the teachers, wearing a crisp saree was passing by. Seeing that child, she immediately ran towards the child, handed over her umbrella and comforted him. The teacher selflessly rescued that child even if she was completely drenched in the rain. This incident taught me that we can show goodness to others by nature of our behavior and actions.

To sum it up, no matter how educated, talented or rich you believe you are, how you treat people ultimately tells all.

The Two Mistakes I made and what Lesson I Learnt from them

We all make mistakes. Mistakes are small blunders that we make in our day to day lives. Human being make mistakes, but it's important we should learn from our mistakes. Today, I am going to share two mistakes that I had made.

When I was in grade II, my mom gave me an Olympiad worksheet to solve, which was too long and I got bored while doing it. I copied all the answers from the back of the book. My mother got to know this and then she explained to me "God is everywhere and always watches us, we can hide the truth from people but not from God." My mother didn't speak to me for 15 days. Then, I realized my mistake and said "Sorry" to my mom. After that, I never tell a lie. If I commit mistakes, I always tell them to my mom.

My second mistake was that one day I was sad and when my father came back tired, he asked something very politely but I didn't reply. After sometime, I realized my mistake and thought I should have replied to my father, as he had come back tired from work. I learnt that we should always greet our elders irrespective whether we are happy or sad.

We can say that everyone makes mistakes. It is a part of our life but we should always learn from our mistakes and never try to repeat them.

ਬਾਰਿਸ਼ ਦਾ ਇੱਕ ਦਿਨ

ਅੱਜ ਮੈਂ ਤੁਹਾਨੂੰ ਬਾਰਿਸ਼ ਦੇ ਇੱਕ ਦਿਨ ਦੀ ਗੱਲ ਸੁਣਾਣ ਜਾ ਰਹੀ ਹਾਂ।

ਇਕ ਐਤਵਾਰ ਦੀ ਮਿੱਠੀ ਜਿਹੀ ਸਵੇਰ ਨੂੰ ਜਦੋਂ ਮੈਂ ਅਤੇ ਮੇਰਾ ਭਾਈ ਸੁੱਤੇ ਪਏ ਸਨ। ਫਿਰ ਇੱਕ ਆਵਾਜ਼ ਆਈ ਖੜ-ਖੜ-ਖੜ !!! ਮੇਰੀ ਨੀਂਦ ਖੁੱਲ੍ਹੀ ਗਈ। ਮੈਂ ਆਪਣੇ ਛੋਟੇ ਭਰਾ ਨੂੰ ਵੀ ਉਠਾਇਆ। ਮੈਂ ਉਸ ਨੂੰ ਆਖਿਆ ਕਿ ਤੈਨੂੰ ਆਵਾਜ਼ ਆਈ ਖੜ-ਖੜ-ਖੜ। ਫਿਰ ਅਸੀਂ ਖਿੜਕੀ ਵਿੱਚੋਂ ਵੇਖਿਆ ਬਹੁਤ ਬਾਰਿਸ਼ ਪੈ ਰਹੀ ਸੀ ਅਤੇ ਮੇਰਾ ਛੋਟਾ ਨਟਖਟ ਭਰਾ ਗਾਣਾ ਗਾਣ ਲੱਗ ਪਿਆ -

ਬਾਰਿਸ਼ ਆਈ ਛੱਮ ਛੱਮ ਛੱਮ
ਮੇਰੀ ਵਡੀ ਭੈਣ ਡਿਗ ਗਈ ਛੱਮ ਛੱਮ ਛੱਮ
ਪਕੋੜੇ ਖਾਵਾਂਗੇ
ਲਾ - ਲਾ - ਲਾ

ਫਿਰ ਅਸੀਂ ਕਾਗਜ਼ ਦੀ ਕਿਸਤੀ ਬਣਾ ਕੇ ਉਸ ਨੂੰ ਬਾਰਿਸ਼ ਦੇ ਪਾਣੀ ਵਿੱਚ ਛੱਡ ਦਿਤਾ ਤੇ ਬਾਰਿਸ਼ ਵਿੱਚ ਮਜ਼ ਕਰਕੇ ਪਕੌੜਿਆਂ ਦਾ ਵੀ ਆਨੰਦ ਲਿਆ।

Post Covid...Coming to School, was it Fun ?
One question...One answer...YES
The 'Yes' penned down in 5 different ways...Enjoy Reading !!!

Post Covid, coming to school, is it fun? Of course, it is full of fun. As they say, some things are better understood the hard way. The pandemic and online classes looked better in the beginning but as time passed by, we realised it's not. At times, I was tired looking at the screen for such a long time. Internet and electricity also created disturbances at other times. Coming to school post COVID is such a relief. We can interact more easily with our teachers. Doubts and questions can be cleared easily. Manual books and written notes do not stress our eyes. Also, we enjoy the extra curricular activities more when they are done offline. The best part is that we get to meet our friends face to face. Oh ! How much I missed this part!

Coming to school - Is it fun? Asking a student and that too a student of YPS!!

We live in our homes but we laugh in our school. We obey our parents but we love our friends. We are disciplined at our homes but we play and jump with joy in our school. School is our soul, which was depressed in COVID days. We used to get up to feel lazy again. We were online for our respected teachers, but we were always offline for our happiness. Ask anyone among my friends and they would tell you, how we longed to be back in school, how we remembered old times and wished for things to happen again! God bless! COVID as of now seems to fade away and we are back to school with a bang. The good old days are back. The sprawling lawns, the beautiful flowers and the wide open playgrounds and above all the gang of friends smiling, laughing, giggling and leg-pulling is back. It is fun filled education once again. It is an all-round growth once again. It is OFFLINE, off-eye strain once again AND it is childhood in YPS ONCE AGAIN !!!

"I love coming to school everyday"

Offline classes are fun as there is face-to-face interaction with teachers and you can play and hang out with friends. Coming to school is very beneficial. We can ask teachers our doubts and learn better than in an online class.

One of the things, I enjoy about coming to school is that we get to play in the tea break. I personally think the tea break is the best time of the school.

Another thing that I like about school is that we can enjoy the ECA and hobby periods. ECA is really fun as we do fun activities like arts and craft. Games are fun as we sometimes play football and dodgeball. We also have other hobbies like dance, arts and music.

During the COVID times, we were stuck at our homes and were not able to come to school. The online classes increased the screen time which is not good for health. Also, physical activity was restricted. There was monotony and boredom at home. The options for playing and recreation were very limited.

I understand that COVID affected many lives and many lost their loved ones. It was important to stay at home for everyone's safety. But now, when the things are back to normal, I think offline classes are the best.

School is our temple and teachers are our Gods and we do not want to offer our prayers in the virtual mode anymore. So, everybody come to school regularly and start afresh this wonderful journey of life again.

Ask a person in prison, how does it feel to come out in open? Ask a thirsty person the value of water and then ask a student is it fun coming to school post COVID. You, me and I - everyone knows the answer.

COVID happened and spread like fire across the globe. Terrified, quietened, masked and isolated, that was life...life of all and the worst hit were school children. Online yes! Schools found a substitution for us. A substitution but a substitution for our happiness.

Coming back to school is like a rebirth, coming back to school is like a dream come true and over coming the fear – 'Will we ever enter the gate of our school?'

COVID will pass, other disasters may come up and they will also pass but once our school life years are over, it will never be the same. Our childhood desires, the giggles, the sharing of tiffins, invitations to birthdays, treks and picnics, assembly, tea-break, running around in lawns and grounds, playing hide and seek, because that is how we define fun and if school gives us all of this then it is a big yes! Coming back to school is fun.

"Please
Don't remind
me about
online lessons"

Distance learning was hard, working with computer caused pain for eyes and fingers. I could understand the online lessons, but it is easier when we have face-to-face meetings with the teacher. Going to school is cool. There are many changes like we can't hug the teachers, always wear masks, hugging friends is not allowed either, but we violate this rule sometimes. Breaks are shortened and we have to wash our hands many times. Also, we are not allowed to lend something to others. I am carrying water in the bottle as the water dispensers are turned off. Some parts of the school like the swimming pool are closed which make me feel sad. We have to follow the norms of social distancing. Still, it's good to go to school. No wonder this is why the schools are also called the second home of the child.

फल और सब्ज़ी खाने का लाभ

सब्ज़ी और फल खाना है ज़रूरी,
चाहे समय ले इसे मजबूरी ।
विटामिन और खनिज की है भरमार,
रंग और स्वाद इनके कई प्रकार।
लाल-लाल गाजर, हरी-हरी पालक,
अगर खाए हर बालक तो,
बन जाए वह दृष्टि का मालिक।
हर रोज़ सेब खाना है ज़रूरी,
अगर बनानी है बीमारियों से दूरी।
केला, नाशपाती, अनार, अंगूर,
हमें खाने चाहिए भरपूर।
मीठे-मीठे आम कर देते हैं मंत्र मुग्ध,
खा लो तो कर देते हैं तंदुरुस्त।
फल और सब्ज़ी है गुणकारी।
नहीं आएगी पास बीमारी।

मेरे

पेड़

मेरे आँगन में बहुत से पेड़ हैं जो मेरे आँगन की शोभा बढ़ाते हैं। मेरा पसंदीदा पेड़ आम का है। वह अभी छोटा है पर करीब दस से पंद्रह फल रोज़ देता है। इस पेड़ की आयु अभी मेरे जितनी ही लगती है। ऐसा लगता है जैसे यह मेरा आम का पेड़ मेरे साथ-साथ बड़ा हो रहा है। पेड़ पर्यावरण का एक ज़रूरी हिस्सा है, जो हमें जीने के लिए स्वच्छ हवा और छाया देते हैं। इसकी लकड़ी का इस्तेमाल कई प्रकार की चीजें बनाने, पूजा के लिए और आम के पेड़ के पत्तों का इस्तेमाल तोरण बनाने के लिए भी होता है। मैं अपने आम के पेड़ की बड़ी देखभाल करता हूँ। इसमें फल साल में एक बार गर्मी के मौसम में आता है। मुझे अपने इस पेड़ से बहुत लगाव है।

मेरे आँगन का पेड़ मुझे यूँ हँसाता है,
जब कोई मुझे उस पर झूला झूलाता है।

दो साल के बाद मुलाकात

दिन बहुत ही सुहावना था। आसमान साफ था। सूरज की रोशनी तेज थी और चिड़ियों की चहकती हुई आवाजें आ रही थी। दो सालों के इंतजार के बाद दो सहेलियाँ समरीत और श्रेया एक दूसरे से मिलने जा रही थीं। वह दोनों पक्की दोस्त थीं। छुट्टी का दिन था। दोनों ही एक दूसरे से मिलने के लिए बहुत ही उत्साहित हो रही थीं। उसके अगले ही दिन समरीत का जन्मदिन था। वह श्रेया को अपने जन्मदिन का निमंत्रण देने आई थी। बातों बातों में समरीत ने श्रेया को यह भी बताया कि उसने बाकी दोस्तों को भी बुलाया है। श्रेया तो यही सोच रही थी कि वह दो सालों के बाद अपने दोस्तों से मिलने जा रही है। दोनों ने बहुत देर बातें की और वक्त का पता ही नहीं चला। उनकी आँखों में एक अलग ही चमक थी। श्रेया की माताजी ने उसको बुलाया और बोला कुछ खा लो तो तब उनको एहसास हुआ कि उनको बातें करते हुए २ घंटे हो गए थे। समरीत को अपने जन्मदिन का निमंत्रण देने के लिए अभी बाकी घरों में भी जाना था तो दोनों ने एक दूसरे को अलविदा किया और अपने अपने रास्ते चली गईं।

दो दोस्त समरीत और श्रेया
मार रहे थे गप्पे,
कभी झगड़ते, कभी हँसते,
दोस्त हैं ये पक्के।
दो साल के बाद मिले हैं,
कोरोना की वजह से।
बातें करनी थी इनको बहुत,
मगर खुशी के आँसू ही झलक रहे।

UNIQUE WAYS OF LEARNING

In our school, we have many subjects to learn like Punjabi, S.St, Maths, English, etc. But I like Maths, S.St, English and Computer the most. My teachers make these subjects really interesting. Specially S.St, as I felt it was boring and hard earlier but my Madhu ma'am made it fascinating by explaining the concepts in many unique ways. We had a chapter - 'Introduction to India', so our teacher told us to

bring physical and political maps for practice and to know India more easily through them. When we brought it, she told us to mark various places and I got to know about the 29 states and 8 union territories. We shaded some states like Punjab, Gujarat, Madhya Pradesh and Arunachal Pradesh with different colours in the political maps. I also got to know about the mountains, plains, rivers and plateaus in the physical maps. When we finished the maps, our S.St teacher showed some videos related to those maps. I enjoyed this unique way of teaching. It was indeed a lovely experience.

If wishes were horses...

If I were a Prime Minister

If I were a Prime Minister, I would change a few things. I would give homeless people a place to live and give everything they need. I would provide free education to kids who are in need. I would talk more to my citizens so I could solve the problems. I would plant more trees, so that pollution would reduce. I would make electricity and water cheaper. I would develop a health care system and make them cheaper and free for the needy people. I would make peace with the neighbouring countries and I would try to reduce crime and robbery, so that people would be in a position to live peacefully.

If I had a Superpower

...Control Time & Fly

If I had a super power, my power would be the ability to control time. With my power, I would be able to stop, reverse slow down and speed up time. Having control of time would give me control of any situation, whether it involves me or not.

If I had a superpower, I would be able to fly and be invisible. I would want to fly because I could leave school and nobody would be able to find me. Also, I could fly with the pretty planes.

My superpower would be to turn invisible, that way I could go through doors and not need a key. Also friends won't find me when I play hide and seek and I'll be really good at it. How I wish to have these powers !

...Teleportation

I don't wish to have a superpower to be ultra strong or ultra quick. But for an instance, imagine there being a superpower to teleport from one place to another, in just a flash, without that boring, taxing planning. If this medium was really true, I could visit the famous tulips of Switzerland, The Northern Lights, The Southern Lights, The Eiffel tower, The Great Barrier Reef and what not. I could visit my uncle in Chicago and my cousin in Australia in just a blink of an eye. In extreme hot climate, I could teleport to a place with cool, pleasant weather and in winters just the opposite. By chance, if any one catches me without a visa or a passport, I could simply teleport back to my home country. And if all this were true, who would need a flying carpet when we can teleport in milliseconds !

ਸਾਡੇ ਸਕੂਲ ਦਾ ਸਥਾਪਨਾ ਦਿਵਸ

ਸਾਡੇ ਸਕੂਲ ਦਾ ਸਥਾਪਨਾ ਦਿਵਸ ਦੋ ਫਰਵਰੀ ਨੂੰ ਹਰ ਸਾਲ ਮਨਾਇਆ ਜਾਂਦਾ ਹੈ। ਯਾਦਵਿੰਦਰਾ ਪਬਲਿਕ ਸਕੂਲ ਦੀ ਸਥਾਪਨਾ 1948 ਵਿੱਚ ਮਹਾਰਾਜਾ ਯਾਦਵਿੰਦਰ ਸਿੰਘ ਜੀ ਨੇ ਕੀਤੀ ਸੀ। ਸਾਡੇ ਸਕੂਲ ਦਾ ਸਥਾਪਨਾ ਦਿਵਸ ਬਹੁਤ ਧੁਮਧਾਮ ਨਾਲ ਮਨਾਇਆ ਜਾਂਦਾ ਹੈ। ਸਥਾਪਨਾ ਦਿਵਸ ਵਾਲੇ ਦਿਨ ਪਹਿਲਾਂ ਸਾਨੂੰ ਟਿਕਟਾਂ ਮਿਲਦੀਆਂ ਹਨ। ਮੇਲੇ ਵਿੱਚ ਬਹੁਤ ਸਾਰੇ ਝੂਲੇ ਤੇ ਅਲੱਗ-ਅਲੱਗ ਤਰ੍ਹਾਂ ਦੀਆਂ ਦੁਕਾਨਾਂ ਹੁੰਦੀਆਂ ਹਨ। ਜਿਵੇਂ ਖੇਡਾਂ ਦੀਆਂ ਅਲੱਗ-ਅਲੱਗ ਦੁਕਾਨਾਂ। ਉਹ ਟਿਕਟਾਂ ਦਾ ਇਸਤੇਮਾਲ ਦੁਕਾਨਾਂ ਵਿੱਚ ਹੁੰਦਾ ਹੈ ਤੇ ਜੇ ਸਾਡੀ ਟਿਕਟਾਂ ਖਤਮ ਹੋ ਜਾਣ ਉਸ ਲਈ ਵੀ ਇੱਕ ਦੁਕਾਨ ਹੈ ਜਿਸ ਵਿੱਚ ਅਸੀਂ ਪੈਸੇ ਦੇ ਕੇ ਹੋਰ ਟਿਕਟਾਂ ਖਰੀਦ ਸਕਦੇ ਹਾਂ। ਉਥੇ ਖਾਣ ਪੀਣ ਦੀਆਂ ਦੁਕਾਨਾਂ ਵੀ ਹੁੰਦੀਆਂ ਹਨ। ਸਭ ਤੋਂ ਖਾਸ ਗੱਲ ਇਹ ਹੈ ਕਿ ਅਸੀਂ ਆਪਣੇ ਪਰਿਵਾਰ ਨੂੰ ਵੀ ਉੱਥੇ ਲੈ ਕੇ ਜਾ ਸਕਦੇ ਹਾਂ। ਮੇਲੇ ਦਾ ਉਦਘਾਟਨ ਸਾਡੇ ਸਕੂਲ ਦੇ ਡਾਇਰੈਕਟਰ (ਮੇਜਰ ਜਨਰਲ ਸੰਜੀਵ ਵਰਮਾ) ਸਟੇਜ਼ ਤੇ ਖੜ੍ਹ ਕੇ ਤੇ ਗੁਬਾਰੇ ਹਵਾ ਵਿੱਚ ਉੱਡਾ ਕੇ ਕਰਦੇ ਹਨ। ਇਸ ਤਰ੍ਹਾਂ ਮੇਲਾ ਸ਼ੁਰੂ ਹੁੰਦਾ ਹੈ। ਉੱਥੇ ਇੱਕ ਰੱਖ ਵੀ ਹੁੰਦਾ ਹੈ ਜਿਸ ਵਿੱਚ ਬੈਠ ਕੇ ਅਸੀਂ ਸਕੂਲ ਦਾ ਚੱਕਰ ਲਾਉਂਦੇ ਹਾਂ। ਦੁਪਹਿਰ ਨੂੰ ਜਦ ਉਹ ਮੇਲਾ ਖਤਮ ਹੋਣ ਵਾਲਾ ਹੁੰਦਾ ਹੈ। ਸਾਨੂੰ ਘਰ ਜਾਣ ਦਾ ਬਿਲਕੁਲ ਮਨ ਨਹੀਂ ਕਰਦਾ। ਪਰ ਸਾਡੇ ਪਰਿਵਾਰ ਵਾਲੇ ਧੱਕੇ ਨਾਲ ਘਰ ਲੈ ਜਾਂਦੇ ਹਨ। ਫਿਰ ਅਸੀਂ ਮਨ ਵਿੱਚ ਅਗਲੇ ਸਾਲ ਲਈ ਇਸ ਦਿਨ ਦੀ ਉਡੀਕ ਕਰਦੇ ਹਾਂ।

If i were the captain of a cricket team

I would contribute my best in batting, fielding and team management. I would go to the ground to practice regularly. I would focus on physical fitness which is very important to be a perfect player. I would try to be a great captain. I would try to maintain a good atmosphere in the ground. I would also motivate my team mates so that they would give their best. I would be a perfect role model of self discipline and dedication. I would try to win almost every match. I would be helpful to all my team mates. I would always listen to them and try to solve all their problems.

My Favourite Game

My favourite game is chess. People all around the world play chess. Chess is a game of strategy. I was inspired to play this game when I learnt about the Indian chess grand master, Vishwanath Anand.

Chess is a board game for two players. The board is designed with white and black squares. This game comes with multiple chess pieces namely pawn, rook, camel, horse, king and queen. Each chess piece has their own unique move. We set these pieces in certain order to play the game. The pawns are the first line of defence while the other pieces are behind them.

Khushal Jain, V P

The most important piece is the king because if he is killed, you lose the game. Your goal is to kill the opponent's king. My favourite chess piece is the queen because it is the most powerful piece in the game. I play chess with my mother on Sunday evenings. I have learnt that you must spread out your pieces to get an advantage.

Chess is a game full of adventure and that is why I like it. I know I have a lot to learn but I hope to become a chess grand master. Till then, I will keep practising.

How I Got Into Gymnastics

Well, it first started off as a slight interest in yoga. As I kept on practising, I came to realise that I was becoming more and more flexible, so I wanted to learn how to do a split. At first, like any other beginner, I was unable to do it. But I taught myself how to do split by practising and watching YouTube videos and after a while I was able to perfect it. This is when my journey with gymnastics started. Learning to do that one split

sparked an interest to learn gymnastics. I kept on watching more and more YouTube videos and the more I watched, the more this sport fascinated me. I finally decided to take up gymnastics as my sport. I started practising daily and worked really hard to improve my techniques. Even when COVID hit and we were all under lockdown, I did not stop practising. In fact COVID gave me all the more time to perfect my skills. Gymnastics is something that I've become extremely passionate about over time.

Now, I make sure never to miss a single day of practice.

मुहावरों की कहानी गुरांश की जुबानी

यह गाँव में रहने वाली दिव्या की कहानी है। वह सबकी आँखों का तारा थी। उसके माता-पिता खेत में कमर-तोड़ मेहनत करते थे। दिव्या शहर में जाकर पढ़ाई करना चाहती थी। इसलिए वह जी जान लगाकर मेहनत करती थी। परंतु गाँव में पक्का रास्ता ना होने के कारण मुश्किलों का पहाड़ खड़ा था। वह कई मील पैदल स्कूल जाती थी और दिन रात मेहनत करती। यह खबर गाँव में आग की तरह फैल गई। यह खबर सुनकर स्कूल ने उसे वज़ीफा प्रदान किया। माता-पिता वज़ीफे की बात सुनकर फूले न समाए। अपनी मेहनत से आज वह अंधेरे घर का उजाला है। पढ़ाई कर वह इंजीनियर बनी और सबसे पहले अपने गाँव को नई पहचान दी। इसलिए तो कहते हैं।

An *Elocution* with a Difference

Five Participants,
One common topic - Unforgettable Memories of the Junior School.
Four hours to independently research, organise, pen, memorize and present.
Brilliant Performance !!!

Waking up was hard, Dressing up was a pain, Milk was a must, Mom asked, "Bournvitta or plain?" School life is the best part of human life, I can remember some of my good days as well as some of my bad days, in the years spent in Junior school. I share one of my memories with joy, this one is the most funny of all. One day in school, we were getting hot yummy samosas and my friends and I were playing 'Truth or Dare'. I gave a dare to my friend to eat five samosas and so she went to the snack counter said to the snack bhaiya, "One child did not bring his tiffin, so may I take five samosas?" And so she ate five samosas and did not come school for days! Hehe! There are many funny memories like this one, which I would like to tell you but not today, next time. Junior School will be missed always.

**Gurasees Kamboj

The day, I had to come to the Junior School, I was scared that we would have piles and piles of homework to do. But when I entered this place, I realized that this place wasn't about mugging up chapters but about having our concepts clear and of course have fun. I have had so many fun memories since I came to the Junior school and today, I will share some of them with you.

The time we went to Dhillon Fun World was epic, even though the roller coaster wasn't as fast as we expected it to be. The Junior School Entertainment Programme is such a delight to be a part of. The fairyland backgrounds, the clown costumes are a great part of it. The high point of the school days were also the tea breaks that gave us the opportunity to play to our hearts content and meet all the friends from across the sections.

The walks that we have in our school are amazing. It is so much fun to be back into the sylvan surroundings of our school and out of the monstrosity our homes were turning out to be.

I will conclude by saying that, "School times end but the memories made there last forever."

**“ One Junior School,
Five classes.
Thousands of fun memories,
Tons and more of love. ”**

Memories are a part and parcel of our life. We all know the importance of Junior School. We all consider it as a golden period of our life. The Junior School is a great learning experience for all of us. What all we have done in the Junior School is no less than a treasure, which gave us invaluable joys and memories in our life. The Junior School helped us learn things which were first mysterious to us. The journey was full of love and excitement. Indeed, this unforgettable journey of the Junior School will last in the heart forever. In this unforgettable journey, what I will miss the most are the teachers who imparted knowledge and good moral values so that we could turn into a good human being. The Junior School building, the huge ground in which we play and specially the classrooms, in which I have studied, will be the most memorable spots in Junior School. The Junior School gave us precious memories which are truly priceless.

“School times end, But Memories last Forever”

This has indeed been a wonderful journey which will remain in my heart forever. My Junior school life was filled with excitement and love. It was the place where I understood the value of time and it has been a wonderful chapter in my life. It taught me dedication. It is definitely the place, where I learnt a lot about myself. My teachers motivated me and pushed me to my limit. In the end, I would say that, "You just don't know it yet but Junior school is one of the best places in the planet". Junior School was heaven. Big groups, colourful uniforms, silly fights, remarkable grades and many more. Ahhh ! I am gonna miss these days. Old memories are equal to gold memories.

THE Winning WORDS

Harpertap Singh Sidhu, V E

School time ends but school memories last forever. Every moment of my five years in the Junior School have been awesome. Most of my memories are with my teachers and friends. The first day in Junior school was unbelievable, as everyone was kind and helpful. A buddy of mine from Stepping Stones also joined the Junior School with me and in few days we had made many new friends. Till date we all have each other's back, as they say 'Friendship Never Fades'. Our teachers especially dear Tina ma'am started taking us for walks and picnics. We played many games, ate junk food and learnt a lot.

Then, the worst virus came COVID-19 and it took us almost two years to get back to normal. Hhhmm....I have such beautiful memories that I will remember forever as I go to the Senior School and make new ones there. So, Junior School has been like a temple of memories for me.

What I Did On Diwali !

This year, Diwali was on the 4th of November. I was eagerly waiting for this festival, as it is my favourite. On the day of Diwali, I planned to make rangoli. I bought colours, chalk and stencils. After doing the decoration of the house, I made a beautiful and a colourful rangoli near the gate. My mum helped me click pictures of it. Then, I went inside to change my dress and get ready. When I got back outside, to my surprise, my rangoli was ruined. I started crying. After a while, my cute little dog, Muffin came near me and started licking my feet. I saw something pink on his nose, it was my rangoli colour. He looked very cute and my anger disappeared. My dad helped me in making another rangoli. Then, we did the Puja and burst crackers. It was an amazing Diwali and I'm eagerly waiting for the next one.

अनाथालय की यात्रा एक अनुभव

मानव जीवन सुख—दुख का मिश्रण है। यह अनेक प्रकार की घटनाओं से भरा पड़ा है। इससे कुछ घटनाएँ खुशी वाली होती हैं तो कुछ घटनाएँ दुख भरी होती हैं। 14 नवंबर 2021 का दिन मेरे जीवन का मज़ेदार दिन था। इस दिन मैं अपने माता पिता के साथ अनाथालय गई थी। अनाथालय की यात्रा जीवन बदलने वाला अनुभव है क्योंकि यह यात्रा भावनाओं से भरी होती है। जब हमने अनाथालय में प्रवेश किया तो हम चकित रह गए क्योंकि हमने जितना सोचा था अनाथालय में उससे कहीं अधिक बच्चे थे। वहाँ एक बड़ा रूम था। यहाँ 3 से 15 साल तक के बच्चे थे। उनमें से कुछ टी.वी. देख रहे थे, कुछ चाय पी रहे थे, कुछ लड़कियाँ अपनी गुड़िया के साथ खेलने में मस्त थीं और कुछ हमें देख रही थीं हम अपने साथ खाने का सामान कंबल, ड्राइंग बुक्स, क्रेयॉन, पेंसिल आदि लाए थे, हमने यह सारे सामान को बच्चों में बाँट दिया। बच्चे बाहर का खाना खाकर बहुत खुश हुए और जब हमने उन्हें स्टेशनरी दी, तब वह और अधिक खुश हो गए। हमने सब से बात की और मैं बच्चों के साथ खेली थी। बच्चों के साथ कुछ समय बिताने के बाद हम घर वापस आ गए। यह मेरे जीवन का सबसे मज़ेदार दिन था, जिसे मैं कभी भूल नहीं पाऊँगी।

ਡਾਕਟਰੀ ਇਹੋ ਜਿਹਾ ਪੇਸ਼ਾ ਹੈ ਜਿਸ ਵਿੱਚ ਬਿਮਾਰ ਲੋਕਾਂ ਦੀ ਮਦਦ ਕੀਤੀ ਜਾਂਦੀ ਹੈ।

ਡਾਕਟਰ ਸਾਡੀ ਬਹੁਤ ਮਦਦ ਕਰਦੇ ਨੇ। ਡਾਕਟਰ ਬਣਨਾ ਆਸਾਨ ਨਹੀਂ ਹੈ। ਡਾਕਟਰ ਬਣਨ ਲਈ ਬਹੁਤ ਪੜ੍ਹਾਈ ਤੇ ਮਿਹਨਤ ਕਰਨੀ ਪੈਂਦੀ ਹੈ। ਅੱਜ-ਕਲੁ, ਕੋਵਿਡ ਦੇ ਸਮੇਂ ਵਿੱਚ ਸਾਨੂੰ ਡਾਕਟਰਾਂ ਦੀ ਬਹੁਤ ਜਰੂਰਤ ਹੈ ਕਿਉਂਕਿ ਕੋਵਿਡ ਬਿਮਾਰੀ ਸਾਡੇ ਨੱਕ ਤੋਂ ਸਾਡੇ ਫੇਫ਼ਡਿਆਂ ਵਿੱਚ ਜਾ ਕੇ ਸਾਨੂੰ ਮਾਰਦਾ ਹੈ। ਡਾਕਟਰ ਸਾਨੂੰ ਦਵਾਈਆਂ ਲਿਖਦੇ ਹਨ ਤੇ ਆਪਣੇ ਮਰੀਜ਼ਾਂ ਦਾ ਬਹੁਤ ਧਿਆਨ ਰੱਖਦੇ ਹਨ। ਕਰੋਨਾ ਵਿੱਚ ਉਹਨਾਂ ਨੇ ਆਪਣੇ ਜੀਵਨ ਨੂੰ ਖਤਰੇ ਵਿੱਚ ਪਾ ਕੇ, ਹੋਰਾਂ ਨੂੰ ਬਚਾਉਣ ਤੇ ਧਿਆਨ ਰੱਖਿਆ। ਸਾਨੂੰ ਉਹਨਾਂ ਦਾ ਧੰਨਵਾਦ ਕਰਨਾ ਚਾਹੀਦਾ ਹੈ। ਅੱਜ-ਕਲੁ ਲੋਕ ਡਾਕਟਰਾਂ ਨੂੰ ਰਾਤ ਨੂੰ ਕਾਲ ਕਰਕੇ ਪਰੇਸ਼ਾਨ ਕਰਦੇ ਨੇ। ਸਾਨੂੰ ਇਹ ਨਹੀਂ ਕਰਨਾ ਚਾਹੀਦਾ। ਰਾਤ ਨੂੰ ਜਦ ਸੰਕਟਕਾਲੀਨ ਮਰੀਜ਼ ਆਉਂਦਾ ਹੈ ਡਾਕਟਰ ਡਾਂਟ-ਪੱਟ ਉਠ ਕੇ ਉਹਨੂੰ ਨਿਦਾਨ ਕਰਦਾ ਹੈ। ਇਸ ਤੋਂ ਪਤਾ ਚਲਦਾ ਹੈ ਕਿ ਡਾਕਟਰ ਕਿੰਨੇ ਨਿਰਸਵਾਰਥ ਹੁੰਦੇ ਹਨ। ਸਾਨੂੰ ਡਾਕਟਰ ਚੰਗੀਆਂ-ਚੰਗੀਆਂ ਸਲਾਹਾਂ ਵੀ ਦਿੰਦੇ ਹਨ। ਇਸ ਲਈ ਮੈਂ ਸਾਰੇ ਕਰੋਨਾ ਵਾਰੀਅਰਸ ਨੂੰ ਨਿਦਾਨ ਕਰਦੀ ਹਾਂ।

THE DAY *I Woke Up Late*

I usually wake up at 6:30 am but yesterday I woke up late. When I looked at the wall clock, it was 8:00 am. My online class was about to start, so I quickly jumped out of my bed to brush my teeth. I quickly took a bath and requested my sister to login to my Skolaro account. As the class was about to start, I rushed to join the class. In the class I was feeling lazy and hungry as I had missed my breakfast. In my aerobic class, I could see my friends smiling but I couldn't understand the reason. After the class, I realized I had forgotten to change my pyjamas and had attended the classes in them. Now, I understood the reason why my friends were smiling. I felt ashamed and promised myself that I will always wake up on time.

How I spent my Sunday

It was a lazy Sunday morning. I woke up quite late. I quickly wore my shoes and socks and went off to eat breakfast. I found my brother playing in the garden and joined him. It was a very pleasant sunny day. We ran after the squirrels who were trying to eat the vegetables in our kitchen garden. I was then called in for taking my head bath.

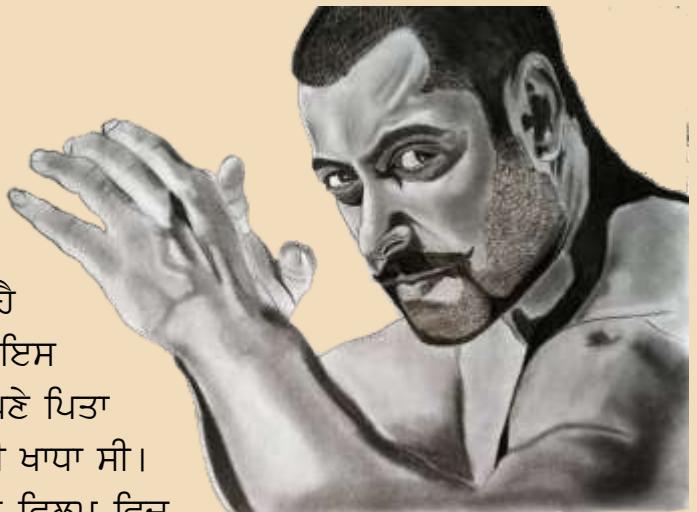

After that, I again went outside to dry my hair and soak in some vitamin D. I took along my Math tables to revise for the test on Monday. I sat in the lawn and enjoyed looking at the beautiful flowers while revising the work. I had my favourite dish, rajma and rice, for lunch. Then, I played football with my brother. After a good game, I had my glass of milk and watched T.V. for some time. Then, I sat and wrote about my splendid Sunday.

ਬਹੁਤ ਸਾਰੀਆਂ ਫਿਲਮਾਂ ਹਨ, ਪਰ ਮੇਰੀ ਮਨ-ਪਸੰਦ ਫਿਲਮ ਹੈ ਸੁਲਤਾਨ। ਉਸ ਫਿਲਮ ਵਿਚ ਸੁਲਤਾਨ ਕੁਸ਼ਤੀ ਕਰਦਾ ਹੈ ਇਸ ਲਈ ਇਹ ਫਿਲਮ ਮੈਨੂੰ ਪਸੰਦ ਹੈ। ਸਿਨੇਮਾ ਵਿੱਚ ਮੈਂ ਆਪਣੇ ਪਿਤਾ ਅਤੇ ਮਾਂ ਦੇ ਨਾਲ ਇਹ ਫਿਲਮ ਵੇਖੀ ਅਤੇ ਮੈਂ ਪੋਪਕੋਰਨ ਵੀ ਖਾਧਾ ਸੀ। ਇਹ ਫਿਲਮ ਸਾਲ 2016 ਵਿੱਚ ਰਿਲੀਜ਼ ਹੋਈ ਸੀ। ਇਸ ਫਿਲਮ ਵਿਚ ਸਲਮਾਨ ਖਾਨ ਅਤੇ ਅਨੁਸ਼ਕਾ ਸ਼ਰਮਾ ਅਦਾਕਾਰ ਸਨ। ਇਸ ਫਿਲਮ ਦਾ ਨਿਰਦੇਸ਼ਨ ਅਲੀ ਅਬਾਸ ਜਫਰ ਨੇ ਕੀਤਾ ਸੀ। ਇਹ ਫਿਲਮ ਦੋ ਘੰਟੇ ਚਾਲ੍ਹੀ ਮਿੰਟ ਦੀ ਹੈ। ਫਿਲਮ ਦੇ ਅੰਤ ਵਿੱਚ ਸੁਲਤਾਨ ਕੁਸ਼ਤੀ ਕਰਦਾ ਹੈ ਅਤੇ ਜਿੱਤਦਾ ਹੈ। ਇਹ ਫਿਲਮ ਮੈਨੂੰ ਚੰਗੀ ਲੱਗਦੀ ਹੈ ਕਿਉਂਕਿ ਸਲਮਾਨ ਖਾਨ ਦੀ ਅਦਾਕਾਰੀ ਮੈਨੂੰ ਬਹੁਤ ਚੰਗੀ ਲੱਗਦੀ ਹੈ। ਇਸ ਫਿਲਮ ਵਿਚ ਕੁਸ਼ਤੀ ਹੀ ਦਿਖਾਈ ਜਾਂਦੀ ਹੈ। ਸਿਰਫ ਮੈਨੂੰ ਹੀ ਇਹ ਫਿਲਮ ਪਸੰਦ ਨਹੀਂ ਬਲਕਿ ਦੁਨੀਆਂ ਵਿਚ ਬਹੁਤ ਸਾਰੇ ਲੋਕਾਂ ਨੇ ਇਸਨੂੰ ਪਸੰਦ ਕੀਤਾ ਹੈ। ਇਸ ਫਿਲਮ ਤੋਂ ਸਾਨੂੰ ਕੁਸ਼ਤੀ ਲੜਨ ਦੀ ਪ੍ਰੇਰਨਾ ਮਿਲਦੀ ਹੈ। ਅੰਤ ਵਿੱਚ ਮੇਰੇ ਲਈ ਇਹ ਫਿਲਮ ਬਹੁਤ ਨਿਆਰੀ ਹੈ।

Let me tell you about 'Kho Kho'

I heard about this game 'Kho Kho' from my class teacher (Madhu Gupta ma'am) for the first time in our ECA Class. She taught us the rules and regulations of the game. We all played it together and enjoyed this game a lot. The way ma'am taught us this game was very interesting and we all played very well. In our weekly ECA (Extra curricular activities) class we learn many other things and try to apply it in the same class as well. Our teacher told us the benefits. This game keeps children well, strong, motivated and enthusiastic. It helps in better coordination and flexibility. It develops team spirit and leadership skills. 'Kho-Kho' is a traditional Indian game, being one of the oldest outdoor sports dating back to ancient India. It is one of the two most popular traditional tag games in the Indian subcontinent, the other being 'Kabaddi'.

Hopscotch Excitement

I am always excited about ECAs but this time I was over excited, as I was going to learn a new game called 'Hopscotch'. My teacher drew a pattern of rectangular boxes on the floor. Then, we had to throw a flat object in each box and skip that box in which the object was while hopping through the other boxes. We were not allowed to step on the lines too. In the first few attempts, I lost my balance. But soon after, I learnt the act and then it was real fun. It was very funny seeing my friends losing their balance and falling on the pattern again and again. I went home excitedly and immediately drew the pattern on my room's floor with a coloured chalk. I called my mother and tried to teach her how to play. But when we actually played, I found she was already a CHAMPION! Then, she told me that it was a very old game that she used to play in her times also. I felt very happy that day, as I learnt a new game which could be played both indoor and outdoor and at anytime.

An Ode to Masks

Dear mask,
I sing your praises today,
How you saved us from the pandemic dread,
When the deadly COVID-19 spread.
It was you who helped us keep our cool,
By letting us safely resume our school.
And at times, when the world felt bleak and scary,
You were none less than a fairy.
And so, I express my gratitude to you, dear mask
For taking on this colossal task,
Of shielding us all from the corona blast !

The Autobiography of A Mask

I am old and discarded now but when I was young, Oh! What fun I had. I was first on a cotton plant, then one day my cotton was plucked and in a factory the fibre was made into a cloth. Then, I was sent to another factory where they stitched me and sewed me, the needle pricked me and hurt me a bit but I was ok. They added a bit of nylon to make me an N95 mask. Some masks were coloured yellow, some white some green and even blue. I was a yellow mask and very bright, just like the sun ! Then we were packed and some were sent to hospitals and some to the market for selling. I also heard from another mask that the production of masks was increasing because there was a

pandemic in the human world. I was sent to the market where a young girl bought me as she loved my bright yellow colour. She wore me to school and to the market. I visited many places with her and saw wonderful sites with her. I was fascinated with everything I saw. In the beginning, she loved wearing me but over time she found it tedious but she still wore me as she knew it was important in keeping her safe. One day, after a long time her mother told her to buy a new mask as I was worn out and did not serve the purpose anymore. So, I was discarded. I would give everything up just to be young again and explore places with her.

Mask !

A safe guard

Just two years back, this tiny little unrecognized 'MASK' became part and parcel of every human, as the scary devil "COVID 19" haunted every soul. The whole world was forced to wear a mask. Once it so happened, while traveling to Kasauli, on the way a cop stopped us to check if we all were wearing a mask. The moment he peeped into our car, he burst out in loud laughter as he saw our two dogs also wearing a mask. Where this mask saved us many times from the deadly virus, at the same time fear of being caught without it panicked us more. Many times while strolling on the road and forgetting the mask, we would run away or try to hide at the sight of a cop or sometimes even pull up the t-shirt from the neck till the nose. A couple of times we got caught, giving millions of excuses, 'I lost it just five minutes back', 'Didn't know it's still compulsory', 'I'm allergic to it' and so on. The day masks were made optional, it felt like our toughest exam is over....Thank God !!

I am 'THE MASK'

Hello! I am Tanvir's mask. I save the lives of humans. My family members also have the same job. We were made in a factory on the 2nd of February. Oh! It's my birthday today, it's also my owner's school's birthday. I went to his school, it is so big. They could fit 10 trillion masks there. Since COVID-19, the pandemic is going on, my friends and I are protecting the world as a shield. My best friend, Mr. Sam mask is a Halloween mask. He only comes out once a year. I barely get to meet him. I live in Patiala. Some humans are making masks at home. I forgot to tell you I am blue in colour. When I was one week old, I came in the market and was on sale for just ₹ 100. I was scared that someone will tear me and kill me but I am lucky, I got the best owner ever, Master Tanvir. I am his favourite mask. He never throws me away and always wears me. Bye! Now let me go and protect Tanvir from Corona.

मैं हूँ मास्क

जब से कोरोना आया है, तब से मेरा प्रयोग बहुत बढ़ चुका है। कोरोना की बीमारी आने से पहले वह लोग मुझे पहनते थे जिन्हें डॉक्टर के द्वारा कहा हो। मुझे मुँह और नाक को ढकने के लिए पहनते हैं। मैं सब को बीमारियों से सुरक्षित रखता हूँ। मुझे 111 साल पहले चीन में डॉ. वू लीन तेह जी द्वारा बनाया गया था। कभी सोचा नहीं था कि मैं 1 दिन इतने काम में आऊँगा। मैं कई प्रकार में आता हूँ, जिसके उदाहरण हैं N-95 सर्जिकल मास्क, FFP मास्क और कपड़ों के मास्क। मेरा साधारण मास्क ₹20 में मिलता है पर N-95 वाला ₹50 में मिलता है। मेरे काफी फायदे होते हैं जैसे कि मैं कोविड-19 से बचने में मदद करता हूँ। मैं कई बार इस्तेमाल किया जा सकता हूँ। मेरे कई नुकसान भी हैं जैसे कि जब मुझे कोई साफ नहीं रखेगा इससे बीमारी भी हो सकती है पर कभी भी मुझे छोटा ना समझना मुझे इस बीमारी में पहन कर रखना।

Hungry Kya?

Try my Pinwheel Sandwich

One day, I was alone at home and hungry too. I looked in the fridge but couldn't find anything nice to eat. I opened a pack of biscuits and sat down to write about what we did in the English class and ha...ha..ha. I knew what I wanted to eat, as that very day we were taught how to make a pinwheel sandwich. First thing, I took three slices of bread, any bread will do. Then, I took the first slice of bread and spread some tomato ketchup on it. Next, I took another slice of bread and added some mustard sauce on it with cheese. I love them both. Thereafter, I took the third slice of bread and added some butter and a small amount of green chutney on it. All three slices

were ready. After that, I took the slice of the mustard sauce bread and put it on the ketchup slice and the third slice on top of it. Now, all done, I had to wait for my mum to come and roll it, as I tried doing it, but couldn't. Soon, my mum came and rolled and cut the three slices into small pieces. My pinwheel sandwich was ready. Yummy!

How I Learnt to Make Tea!

In COVID time, we got an activity from our English teacher to learn to prepare tea and then demonstrate it in the class. Well ! Since it was Tina ma'am's English class, we had to speak about the whole process while we made the tea. And we were online that time so we were all supposed to do it. I took it not only as a challenge to prepare the cup of tea for the first time in my life but also to serve it to my mother as a surprise from me. Tea or chai is the National drink of India. I shall pen down, exactly as I spoke.

Let's begin! Take a pan and add a cup of water, switch on the gas, put the pan on it, put some tulsi leaves, ginger and not to forget my mom's favourite homemade tea masala. This tea masala was made of green and brown cardamoms, cloves, fennel, black pepper and cinnamon. Cover it with a lid, let the spices mix with water and boil properly. As it boiled, I murmured a song.....'Raindrops on roses, whiskers on kittens', which we had just learnt to sing in our English class and Ooh, the water just boiled over. I quickly put the tea leaves or chaipatti and some sugar and covered it again to boil. I took off the lid and added milk. While it is boiling, in the meantime let me prepare my snacks and get ready with my tea tray. My tea is ready. Switch off the gas and strain in a cup. I am going to serve it to my mother, who can go without food but not without her favourite cup of masala chai.

Lo and behold ! I have never seen my mom so happy even when I scored full marks, as she was when she saw me with the tea tray !!

उत्कर्ष की पेंसिल

मैं हूँ उत्कर्ष की पेंसिल। मैं उसके पेंसिल बॉक्स में रहती हूँ। पेंसिल रंग बिरंगी होती हैं पर मेरा रंग पीला है। पहली पेंसिल जर्मनी में बनी थी पर अब बहुत तरह की पेंसिलें आ गई हैं। उत्कर्ष मुझे पकड़कर सुंदर अक्षर लिखता है। मुझे शॉर्पनर से तीखा किया जाता है पर शॉर्पनर के प्रयास से मैं छोटी हो जाती हूँ। मज़े की बात तो यह है कि कोई गलती होने पर झटपट रबड़ से अक्षर को मिटा लो। आजकल नई तरह की पेंसिलें हैं जिनके ऊपर रबड़ लगी होती हैं। उत्कर्ष हमेशा मुझे संभाल कर रखता है।

My Favourite HOBBY

Hobby is an activity which we do to pass time with enjoyment. Hobbies help us to remain active and entertain us. My favourite hobbies are drawing and painting. I love to draw superheroes like Spiderman, Superman, Batman etc. I learned a lot of drawing techniques from YouTube channels of various artists. I can draw anything which is in my mind. I try to express my thoughts through drawing. I have good sketch pencils, pens,

colour pencils, crayons, and paint boxes. I always try to paint with different colour combinations. I can never feel bored when I have my colours with me. I

always try to create my own unique drawing style and improve my painting techniques. My parents and grandparents always appreciate my work and motivate me to do better.
